CHRIS LAHR is our speaker for Operation Backyard this year! Chris and his family live in Philadelphia and are a part of the simple way community. He has been married to his wife, Lara, for 14 years and has 3 beautiful daughters: Alexa, Moriah and India (and a dog named Oskar). Chris and his wife are part of the community care team for the simple way and they attend a little congregation called Iglesia del Barrio (means "Church in the Neighborhood") where Chris works with the youth as well as with the congregation at large. Chris also coaches a flag football team for his church in which the league has become a part of the simple way. On top of this, Chris works with Mission Year as the academic director and a recruiter. Chris shares in his blog: "Really the things listed above are nothing more than the things I do. Who am I? I am a servant of Jesus. I love him and follow him!" Helpful Information

What is included in the cost?

\$30 covers your meals, your lodging at Huntington University, and a cool t-shirt!

When and where do we register?

All registrations and deposits must be submitted by July 4th (See Submission Details). On July 16th, registration will begin at 6:00 PM in the Wright Hall lounge on Huntington University's campus.

Should I bring my medications?

Ummm... yes. Please make sure all medications are brought to the leaders upon registering.

Are we staying in dorm rooms?

Yes. And FYI, males and females will be on separate floors.

Do I need to stay the entire weekend?

We are encouraging students to carve out the entire weekend for this event. In order to plan meals and lodging, we need to keep numbers at a consistent level. Also, to provide the full experience of a backyard mission trip, students attendance at every function on Saturday and Sunday is crucial. However, if you do need to leave at some point in the weekend, please let us know.

Who can I contact for more information?

You may contact your youth pastor or directly contact Roger Vezeau at (260) 358-4086 or email him at roger@cpyouth.com.

Operation Backyard

Huntington, Indiana

WHAT is it?

What would happen if all the youth groups of a town joined together to make an impact on their community? Operation Backyard is an attempt to answer that question. It will mean eating, living, learning, and serving together, and it will hopefully make a difference in all the lives involved.

WHEN is it?

Operation Backyard will begin at 6:00 pm on Friday, July 16th. It will end on Sunday, July 18th around 4:30 pm.

WHERE is it?

We will be working at various locations in the town of Huntington, and we'll have free-time and learning sessions at Huntington University. Additionally, we'll stay overnight in the luxurious dorm rooms on campus.

WHY is it?

As Christians, we are called to be the hands and feet of Jesus Christ. Too often, we get comfortable within our church buildings and forget that Jesus called us to be servants. We are doing this to show Christ to our town, and in doing so, we are hoping to look more and more like Him.
